## SUMMARY

Developed specifically to meet the increasing demands of shorter run digital colour print, the versatile DC-615 Pro provides a multi-functional finishing solution in one compact, easy to use package.

## BENEFITS

- 6 slits, 1 knife, 1 creaser
- **Flexible & versatile**
- Slit/cut/crease
- **Range of applications**
- Single-pass finishing
- **High production levels**

## WHAT CAN THIS DO FOR MY ORGANISATION?

Why buy separate crease & cut devices when you can combine both functions in one pass, coupled with automatic job set-up via barcode reader - this is the ultimate in digital finishing.

## IDEAL FOR

- Business cards
- Post cards
- Greetings cards
- Direct mail pieces
- DVD case inserts
- Leaflets
- Brochures

Compact disposal
